The

Maxwalton

*Shorthorn
Dispersion*

Sept. 25, 1948

WHERE GREAT HERDS WILL BE FOUNDED AND STRENGTHENED

This Sale

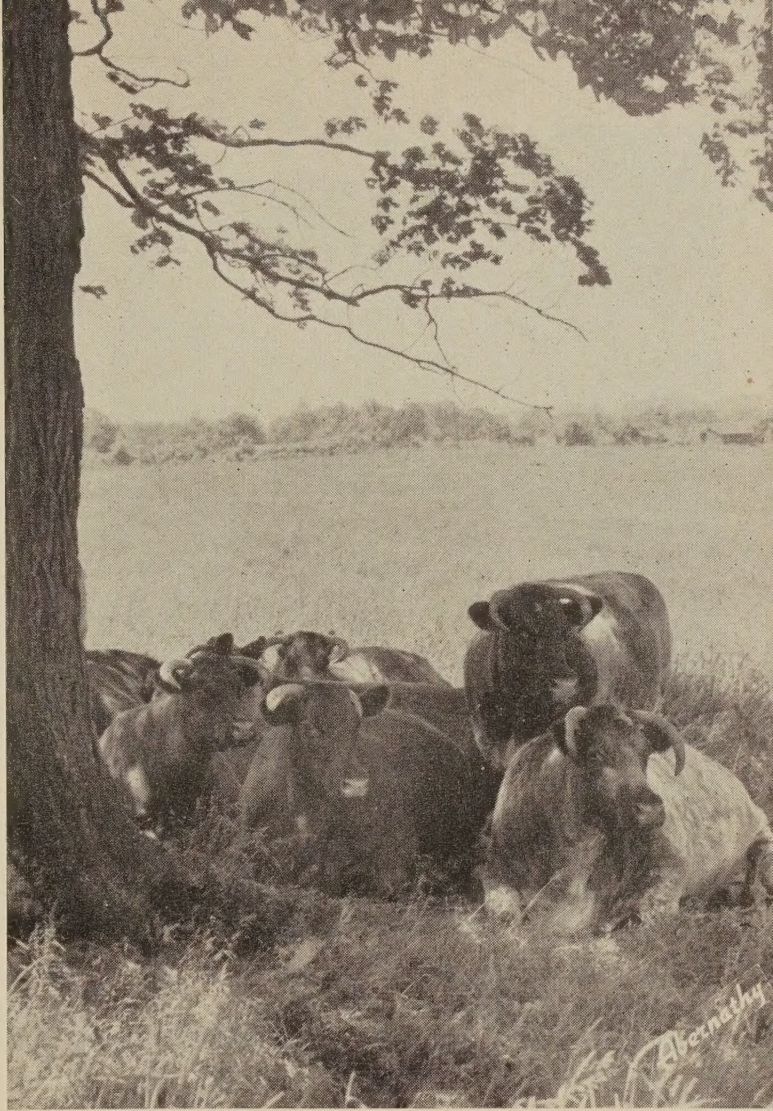

will start promptly at 12:00 o'clock noon
(Eastern Standard Time) on

Saturday, September 25, 1948

We suggest that you arrive at Mansfield on Friday, September 24th, the day prior to the sale. You can spend this day profitably in an inspection of the sale offering and a study of the calves sired by Imp. Crieffvechter Beacon and Klaymor Ironsides.

Remember—the Mansfield-Leland Hotel will be the sale headquarters in Mansfield. We will be glad to arrange hotel reservations for you if you will advise us.

For the
kind of
cattle
that are
offered
only once
in a
lifetime,
this is . . .

Your

opportunity

All of these beautiful Shorthorn matrons and many more are to be included in the dispersion of the Maxwalton Herd. Each cow is a member of a famous Scotch family, each is a daughter of a noted sire, and each has a producing record that will go down in history.

Complete Dispersion
of the
Maxwalton Herd
of Scotch Shorthorn Cattle

to be held at

MAXWALTON FARMS

3½ miles East of

Mansfield, Ohio

Saturday, September 25, 1948

Starting promptly at 12:00 o'clock noon Eastern Standard Time

Although no animals will be sold privately ahead of the sale, we will be glad to have breeders visit the farm for an inspection of the herd before the day of the auction.

Wallace V. Campbell——Owners——Estate of E. R. Hartman

HAL LONGLEY, Sale Manager

16 S. Locust St.,

Aurora, Illinois

GENERAL INFORMATION

LOCATION

The sale will be held at Maxwalton Farms, 3½ miles East of Mansfield, Ohio, on State Highway 39. It will start promptly at 12:00 o'clock noon Eastern Standard Time on Saturday, September 25, 1948.

TRANSPORTATION

Mansfield, Ohio, is easy to reach by train, bus or plane. It is located in North Central Ohio and is on the main lines of the Pennsylvania Railway and the B. & O. Railway. Also there is a line of the Pennsylvania from Detroit, through Toledo to Mansfield. Galion, Ohio, twelve miles West of Mansfield, is on the main line of the Big Four from St. Louis and Indianapolis to Cleveland and New York. If we are notified, we shall gladly meet trains at Galion for transportation to the farm.

Mansfield has a modern airport and is on the main line of the Transcontinental-Western Airline. You can come by plane from the East, West, North or South.

Also, Mansfield is on U. S. Highway No. 30 and has frequent bus service North, East, South and West. Consult your Railroad and Bus agents for information concerning time of trains and character of service to be had.

HEADQUARTERS

Sale headquarters will be at the Mansfield-Leland Hotel in Mansfield, Ohio, from which place transportation will be provided to the farm. We suggest that you make your hotel reservations early. You may write directly to the Mansfield-Leland Hotel, or, if you prefer, the Sale Manager, Hal Longley, 16 South Locust Street, Aurora, Illinois, will gladly arrange hotel reservations for you. Please be sure to state the number in your party and the kind of accommodations you wish. If you write directly to the above hotel, please state that you are attending the Maxwalton Shorthorn Cattle Sale.

SALE MANAGER

Hal Longley, 16 South Locust Street, Aurora, Illinois.

W. V. CAMPBELL

We Invite You . . .

The death of my highly esteemed partner, Ernie Hartman, brings about the necessity of a complete dispersal of the Maxwalton herd in order to settle the partnership that has existed for so many years. The dispersion will be by public auction on September 25.

For more than twenty years I have had the pleasure of extending an annual invitation to all lovers of Shorthorn cattle to attend our annual sales. Again I send to all of you the same cordial invitation to attend our 1948 sale, although I regret that this sale represents the complete closing out of the entire herd.

In previous sales many famous young cattle have been offered. Always the dams and sires have been retained so that the next year's auction could boast a better lot. In this sale you will have the opportunity to buy our best . . . those foundation animals that heretofore have not been available. I am confident that no better herd sires ever stood at the head of this herd than the ones you will have an opportunity to buy. They are outstanding individuals and when you see their offspring you will realize that Imp. Crieffvechter Beacon and Klaymor Ironsides are two of the greatest bulls of the breed.

The cows and heifers are a wonderful lot. They have produced champions and first prize winners at the largest shows. Their offspring have been distributed from Maine to Washington and from Canada to Mexico, South America and the islands of the seas. Always they have enriched the prestige of Maxwalton.

The statement has often been made that in the span of a cattleman's life he can have the good fortune to own only one or two outstanding breeding bulls. Here at Maxwalton we have been more fortunate since we have owned a number of sires that have made Shorthorn history. I do not hesitate to make the assertion that today's sires at Maxwalton are the best we have ever had.

While it is a great pleasure to present such a wonderful lot of breeding cattle, it is with deep regret that I part with them. They have been profitable and a great source of pleasure. They have kept me in touch with the Shorthorn breeders of America whom I consider the finest people on earth.

—WALLACE V. CAMPBELL

Terms . . . Conditions Guarantee

1. The terms of this sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.
3. The Maxwalton Herd is Federally Accredited for Tuberculosis, certificate No. 237900. All animals in the sale have been tested for Tuberculosis and Bang's Disease within 30 days of the date of the sale and health certificates will be furnished. Calfhood vaccination for Bang's Disease has been practiced for many years at Maxwalton Farms.
4. A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.
5. The Maxwalton Herd is backed by an enviable reputation gained through honest business practices over the period of a third of a century. The pedigrees are correct and the cattle are healthy. Nearly every cow in the herd either has a calf at foot or shows every evidence of being well forward in calf. Any known faults will be clearly announced on sale day. **As this is a dispersion sale, no further guarantee will be given except in the case of the two herd bulls.** Imp. Crieffvechter Beacon and Klaymor Ironsides will be sold with a breeding guarantee if not allowed to run with the herd and if maintained in as good condition as when purchased. The income from the sale of these two bulls will be held in escrow for a six months period. In case either of these bulls fails to prove a breeder, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case either bull fails to meet the guarantee and the disposal of the animal will be at the option of the seller.
6. Announcements from the auction box will take precedence over printed matter in the catalog.
7. The above terms and guarantee constitute a joint contract between Wallace V. Campbell and the Estate of E. R. Hartman, the sellers, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.
8. All persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

This Sale Contains . . .

2 Famous Herd Bulls

13 Outstanding young Bulls

40 Cows with Calves at foot

30 Bred Cows and Heifers

8 Open Heifers

We have not filled this catalog with flowery footnotes or over-drawn descriptions. We have given some information about the various families and have used enough illustrations to provide ample evidence that the cattle are of superior type and quality. Other than this we prefer that the cattle shall speak for themselves on sale day.

MAXWALTON

A Name Rich in Breed History

A Name that Means Great Herd Bulls

Much breed history has been written at Maxwalton . . . from the days of Avondale on down through the days of Revolution, Maxwalton Renown, Imp. Rodney, Maxwalton Pure Gold, Browndale Cumberland, Browndale Conqueror, Maxwalton Alert, Maxwalton Souvenir and Klaymor Extra. More history is being written today through the use of the great young imported bull, Crieffvechter Beacon and the sensational Canadian bred bull, Klaymor Ironsides. Dozens of calves will be displayed on sale day and these will provide proof of the quality that may be expected through the service of these famous sires.

IN MEMORY OF . . .

. . . DEVOTED FRIEND

faithful servant to the Shorthorn Industry

Foreword

The death of Ernie Hartman took from us one of the finest members of the Shorthorn fraternity and is the cause of the complete dispersion of one of the most famous herds in America. Since the land must be sold and the successful partnership which existed for so many years between Mr. Hartman and Wallace Campbell is now ended, the entire Maxwalton Herd is to be scattered through this dispersion auction.

Much more history has been written at Maxwalton than can be related here. It is sufficient to say here that throughout a third of a century Maxwalton productions have won highest honors in the show ring and the men who have guided this institution have been held in highest esteem by all who are engaged in the Shorthorn industry.

That the herd is being dispersed at its peak will be obvious to those who attend the sale and that the present herd bulls are the greatest in Maxwalton history will be equally obvious following an inspection of the calves and yearlings in this offering.

Although a total of 135 head are included in this dispersion, for purposes of cataloging these have been condensed into an offering of 93 lots. All calves born after January 1, 1948 have been cataloged as calves at foot with their dams. As an explanation to buyers, most of the calves that were born before May 1st and that are now cataloged with their dams will be sold as separate lots.

With every animal in the herd listed and offered for sale to the public without reserve, this sale provides one of the greatest buying opportunities in Shorthorn history. The famous herd bulls, Imp. Crieffvechter Beacon and Klaymor Ironsides are wonderful individuals and the scores of calves prove them to be outstanding sires.

There is no loss without some gain. Every lover of Shorthorn cattle will regret the closing out of the famous Maxwalton Herd but all will realize that the dispersion of such a herd provides an opportunity to secure seed stock that could not possibly be purchased under other conditions. Those who have guided the destiny of Maxwalton Farms have made a great contribution to the Shorthorn breed.

—Hal Longley of The Shorthorn World.

A Statement From a Famous Educator . . .

Mr. Alvin Sanders in his book, "At the Sign of the Stock Yard Inn," has a chapter which he has entitled "Set Ye Up a Standard in the Land." Always I have thought that the title of this particular chapter would be a fitting slogan for all breeders of purebred livestock.

Surely, it is agreed by those who know, that Maxwalton Farms at Mansfield, Ohio, all through the years, have had as an aim in the breeding of Shorthorn cattle, the setting up of a standard in our land.

When I came to Ohio thirty-six years ago, Messrs. Reid Carpenter and Peter Ross were doing a great job with Shorthorns at Maxwalton Farms. What splendid practice sessions the judging teams from Ohio State have had at Maxwalton Farms. I remember one day at Maxwalton when we had Maxwalton Monarch, Maxwalton Commander, Maxwalton Renown and Rodney as the four bulls that constituted a single class upon which the students worked. Of course, the students didn't agree. But let us be tolerant. I wonder how many experienced breeders of Shorthorns could have agreed upon that class of bulls that day?

Then, let us ask this question. Who cares to attempt to appraise or measure the contribution made by the noted bull Avondale—not only to the cattle at Maxwalton, but to the cattle of the Shorthorn breed everywhere?

After Mr. Carpenter passed on and Peter Ross severed his connections at Maxwalton, Wallace Campbell and Ernie Hartman took over the Maxwalton Cattle. What a grand job they have done. Cattle from this herd have been selected by breeders of Shorthorns everywhere who were in quest of the best foundation stock they could find.

Such famous sires as Browndale Cumberland, Browndale Conqueror, Klaymor Extra, Maxwalton Alert, Maxwalton Souvenir, Klaymor Ironsides and Imp. Crieffvechter Beacon have been used and all have made Shorthorn history.

Finally, let me make this comment. For twenty-eight years I coached the judging team at Ohio State. During all those years I visited Maxwalton Farms annually because I knew that among the Shorthorns at Maxwalton there could be found outstanding cattle whose individuality would serve as the best guide posts that students could find. Yes, there is proof abundant that Maxwalton Farms have set up a standard for the industry in our land.

—D. J. Kays, Chairman Dept. of

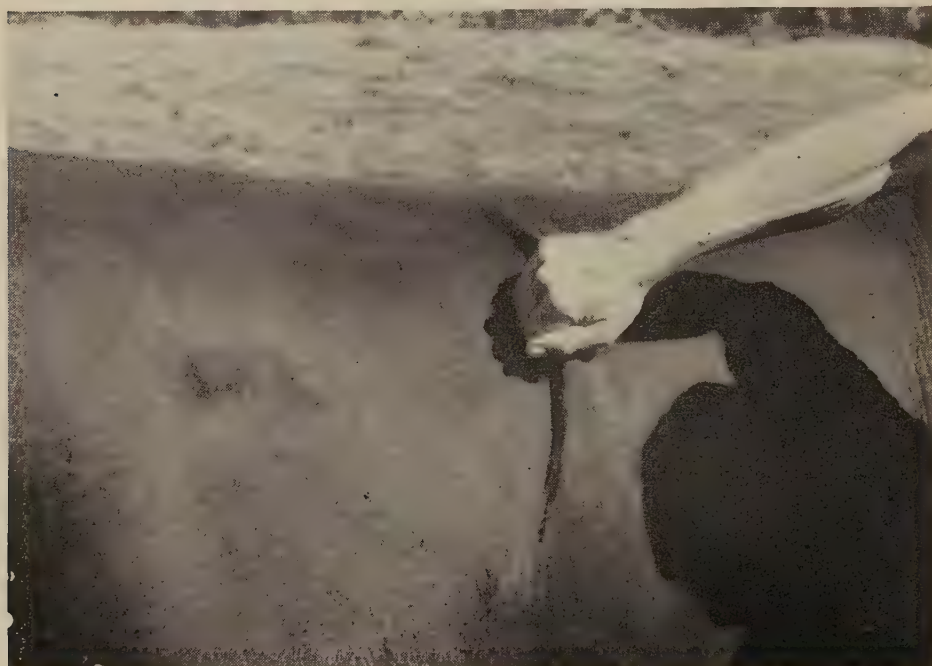

Animal Husbandry, Ohio State University.

Take him apart. . . view him for any angle. . . and you will agree that Imp. Crieffvechter Beacon is one of the greatest individuals of the breed. Study these close-up views.

Left—Sturdiness is important in herd sires. Good bone and short, sound cannon and pastern are essentials in modern beef production. This picture of Imp. Crieffvechter Beacon shows sound feet and strong underpinnings. The standard 8-inch brick standing on end shows closeness of brisket to the ground.

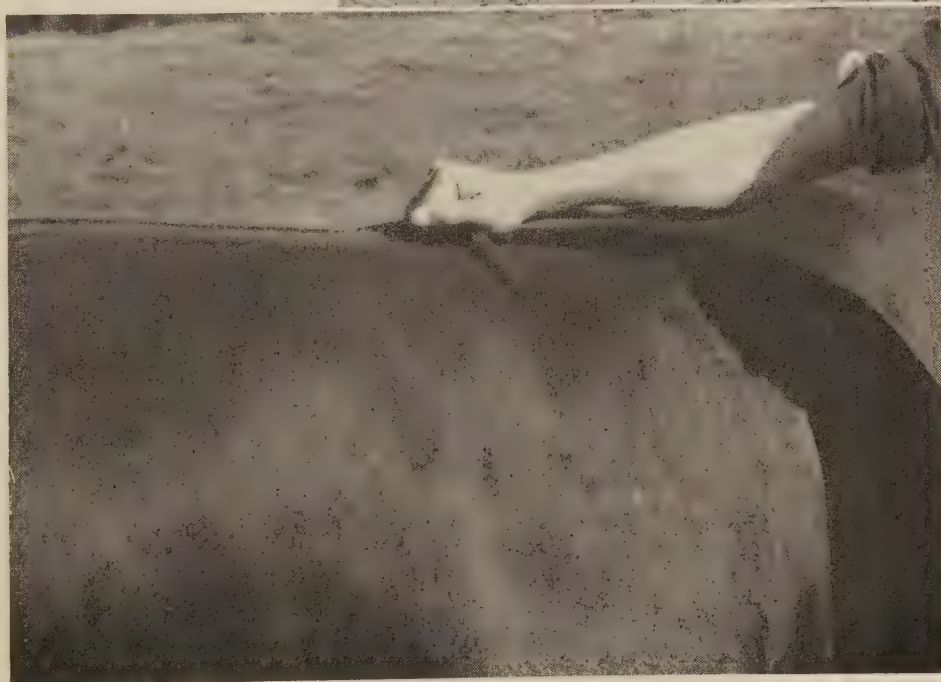

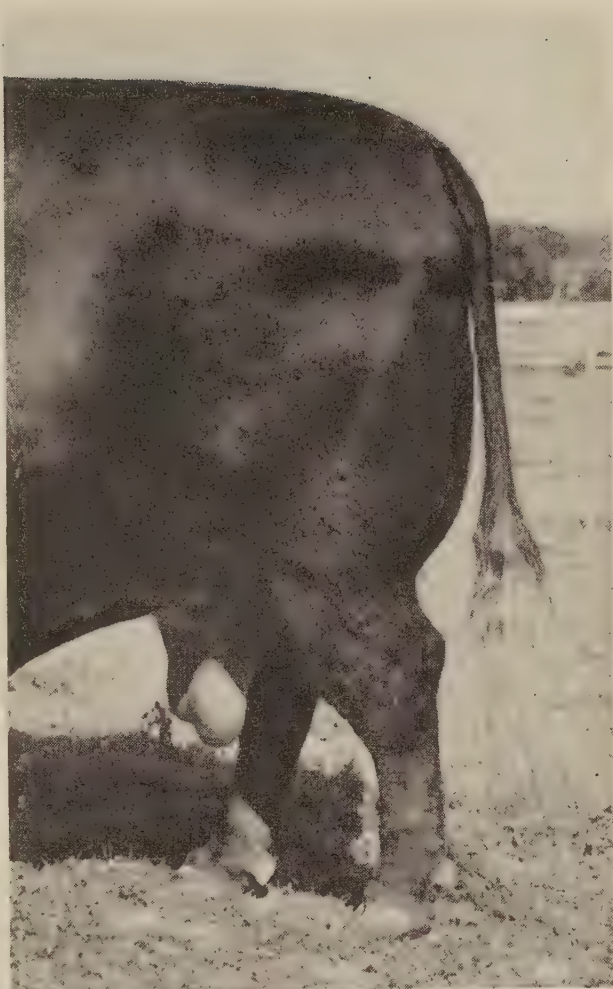

Below—Handling qualities of the hide indicate the feeding ability of a bull. This picture of Imp. Crieffvechter Beacon shows the softness and mellowness of skin associated with easy keeping and large gains.

Study his calves and you will note that each has inherited all of these desirable characteristics. Imp. Crieffvechter Beacon is not only a great individual . . . he is an equally great sire.

Right—Imp. Crieffvechter Beacon displays remarkable depth of body and development of round and loin. His calves all display this same characteristic.

Below—This picture of Imp. Crieffvechter Beacon depicts the looseness of hide on the back indicating ease of keeping and conditioning.

IMP. CRIEFFVECHTER BEACON

Seldom is a bull found like Imp. Crieffvechter Beacon. . . almost never is such a bull offered for sale. He is a marvelous individual and a remarkable sire. He was purchased in Scotland by F. W. Harding for Maxwalton Farm. That he comes by his perfect form honestly is indicated by the fact that his half brother, Crieffvechter Empire, was awarded the Supreme Championship at the 1948 Perth Show in Scotland. These two famous sons of Millhills Yesteryear are now in service in two of the greatest herds in North America. Richardson Stock Farm of Winnipeg, Manitoba, owns Imp. Crieffvechter Empire and he is being used along with Imp. Mount Banker, sire of the 1947 International grand champion bull. Maxwalton Farms own Imp. Crieffvechter Beacon and he will be sold in this dispersion. A third son, Imp. Crieffvechter Courage, sold to go to the Argentine at \$29,000.

Imp. Crieffvechter Beacon is easily the greatest tried sire available in America today. He is very short legged, deep, wide and squarely made, and yet he has the size that we want to retain in Shorthorn cattle. His calves are remarkably uniform in type and the colors have been largely dark reds and roans. The first three calves by him that were exposed for sale, a bull and two heifers, were offered in the 1947 International Sale. These three, without special fitting, sold for an average of \$1,025. At the 1948 Ohio State Sale, one of his sons was awarded the championship and sold at \$900, top price of the bull sale. All the rest of his calves have been retained for the dispersion.

On the day of the Maxwalton sale there will be approximately 40 calves sired by him that will be awaiting inspection. These will range in age from ten days to 20 months old. Prospective buyers will have a fine opportunity to study his calves at various stages of development. There isn't a poor calf in the entire lot. They are good at birth and they are even better at maturity. Imp. Crieffvechter Beacon is to be sold with a complete breeding guarantee.

The eyes of the entire beef cattle world will be focused on the new owner of Imp. Crieffvechter Beacon. Surely fame and fortune will follow him. Who will it be?

Right—This picture shows Klaymor Ironsides as he appears today. Note the smoothness, quality and balance.

KLAYMOR IRONSIDES

We feel that the breeder who buys Klaymor Ironsides in this dispersion will be very fortunate. We bought him in the 1946 Russell Sale in Canada after Jim Russell had used him liberally in the Klaymor Herd. Our faith in him was justified when one of his bull calves topped the Russell Sale a year later and when six of his calves sold for an average of \$846. We have used him liberally and his calves at Maxwalton are distinctly of the show yard variety. He is a bull of outstanding individuality, of very modern type and his calves seem to have exactly what it takes to develop properly. His pedigree is perfect. He is a double grandson of Imp. Collynie Royal Barrage and his granddam is a daughter of the great Calrossie Grand National by Calrossie Control. He is to be sold with a complete breeding guarantee.

Maxwalton is famous for the quality and character of the brood cows. All of these and many more like them are to be sold in this dispersion.

Wherever Shorthorn cattle are known, the name "Maxwalton" means quality. Every breeder, from the largest down to the smallest, recognizes the prestige in this name because they know that for a third of a century superior individuality has gone along with each animal bearing it.

The Female Offering

For a third of a century visitors have marvelled at the quality and character of the cows that comprise the permanent Maxwalton breeding herds. Although the culling of weaker individuals and unprofitable producers always has proceeded systematically, almost never have Maxwalton brood cows been offered for sale to breeders. This complete dispersion provides the first opportunity to buy the famous cows that annually have produced the winners at the country's leading shows. Included also are the beautiful heifers that were being developed for the 1948 show herd and that normally would have gone back into the herd for replacements. There are 93 lots of females over a year old. These females carry their own breeding guarantee because 40 of them have calves at foot and an equal number are obviously well forward in calf. Many of the calves are old enough to sell as separate lots and such a procedure will be followed on sale day where buyers request it. Those who read this catalog will note that a dozen cows of rather long ages have been included in this sale. These have been cataloged because they are cows that have made history and because they now have top calves at foot. With every female in the herd listed, this sale provides one of the greatest buying opportunities in the history of Shorthorns in America.

Lot 16 RIGFOOT PAULINE 38TH 2092894 =305505= Female

Red, calved May 28, 1941. Bred by C. S. Carruthers, Stouffville, Ont., Can.;
2d owner, Oct. 7, 1941, Maxwalton Farms, Inc., Mansfield, Ohio.

Rigfoot Pauline 34th—Sells with a roan heifer calf at foot born July 8 and sired by Klaymor Ironsides. Where could you find a more perfect pedigree.

**Rigfoot Pauline 38th and bull calf by
Imp. Crieffvechter Beacon.**

Rigfoot Pauline 38th 2092894 (Lot 16)—One of the greatest cows of the breed. A perfect individual and a member of the great Cluny Pauline family bred by Lady Cathcart. There are not enough of these Pauline females for every breeder to own one. The Murphys in Canada have one of the same family that constantly has produced the tops of their sales for years. The first heifer we sold from Rigfoot Pauline 38th was the reserve champion of the Virginia Show and Sale. She was purchased by Cherry Hill Farm. Her first calf was one of the top selling bulls in their sale and won first prize at the International. Cherry Hill came back to Maxwalton and bought another daughter in our 1947 sale. Her 1947 calf was another red heifer, the first one she has had by Beacon. Some of the best judges pronounced her the best calf they had ever seen. I know that she was by far the best we have ever bred and only hope to produce another one just as good some day. Rigfoot Pauline 38th will sell with a grand red bull calf at foot, dropped July 6, and will be rebred to the service of Beacon. If you need a new car or a tractor on your farm, buy this cow and her calf will pay for it.

Scotsdale Pauline 9th—An imported-in-dam heifer of top quality. Bred to Imp.
Creiffvechter Beacon on May 8th.

Maxwalton Clara 1916662

We rarely ever started with a show herd that didn't contain one of the members of the Clara family. Maxwalton Clara by Maxwalton Pure Gold was a show heifer in her own rights. She is the dam of Maxwalton Clara 2d and Maxwalton Clara 5th that will sell in the sale and she has at foot a grand young bull calf calved May 3, 1948, sired by Imp. Crieffvechter Beacon. She is the grand dam of Maxwalton Clara 4th, one of the best heifers sold in last year's International sale to Dr. Donahoe of North Dakota. We had a letter recently from Dr. Donahoe stating that Maxwalton Clara 4th had dropped him a fine red heifer calf to the service of Klaymor Ironsides. She is the first daughter of Beacon to calve to the service of Ironsides.

Clipper Queen

This cow comes from the Pine Grove Clipper family that has done so much for the Maxwalton herd. She is a grand individual and a great producer. Her dam, Maxwalton Clipper 34th, was a top heifer in our sale at the time Mr. Douglas purchased her to go to Canada. She was one of the best individuals in the Douglas herd, in fact she was one of the great young heifers we hated to part with. Mr. Douglas bred her to Larbert Templar and produced Maxwalton Clipper Queen. We purchased Maxwalton Clipper Queen at a top price for an open heifer in Canada. Clipper Queen has a young bull, Maxwalton Silver King, that will sell in this sale. He is the first calf sired by Maxwalton Ironsides. She was bred to Crieffvechter Beacon June 6th.

Maxwalton Clipper W 3rd 1916663—This cow was undefeated in two years of showing, including the International and the American Royal. She comes from one of the best Clipper families and is one of the few daughters that we have of Maxwalton Pure Gold. Every calf she has had has been a show calf. She produced a grand red bull, Maxwalton Direct, that was used in the Conner Prairie herd. She is the dam of Maxwalton Clipper W 5th and Maxwalton Clipper W 10th that will sell in the sale. She will calve before sale day to Crieffvechter Beacon.

Kalarama Flora 20th—This Cluny Flora family cannot be surpassed. Kalarama Flora 20th has never produced an inferior calf. Her calves have always been red. One of her heifers was the best individual we had in our show herd for two seasons. She is also the dam of Maxwalton Randolph, one of the top bulls produced at Maxwalton Farms. Her last calf, Maxwalton Defender, will sell in this sale. When you inspect him you will find that he is about as perfect a specimen as will be sold in this sale. Kalarama Flora 20th is in calf since April 14 to Imp. Crieffvechter Beacon.

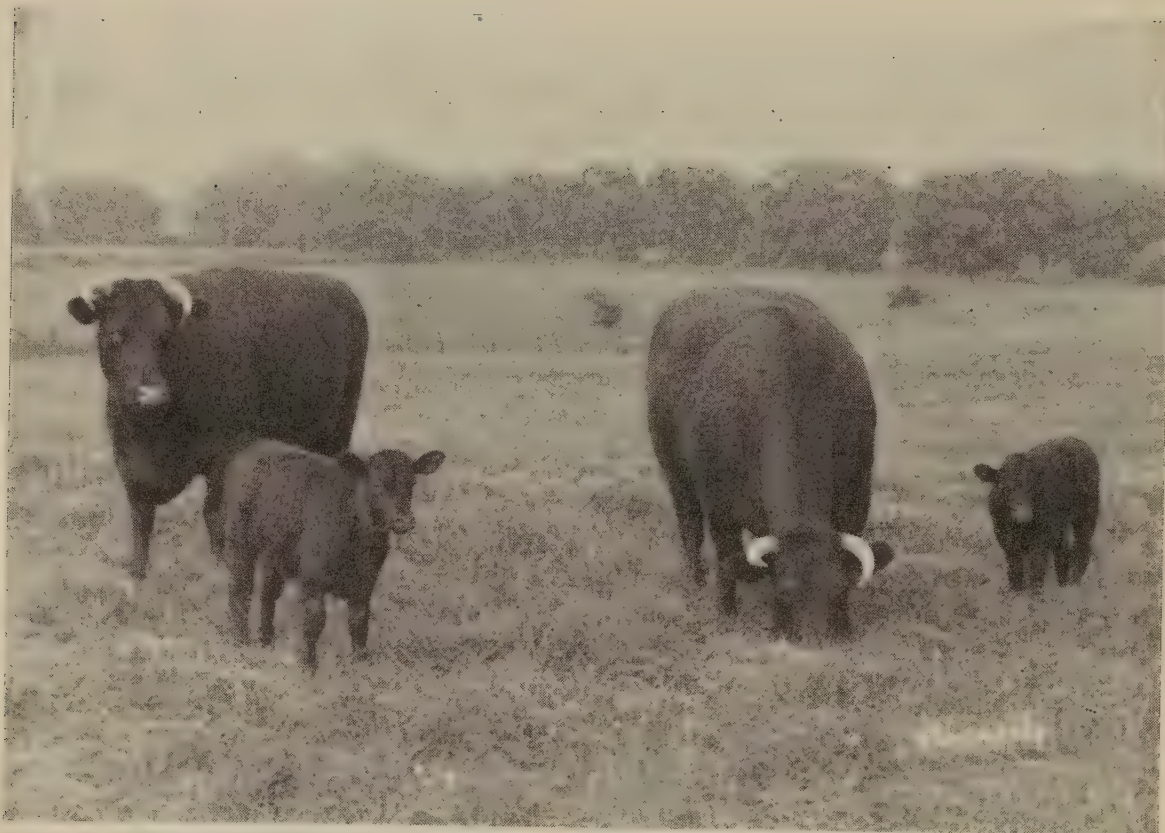

The winning ten head group at the 1940 American Royal, all bred and exhibited by Maxwalton Farms, Mansfield, Ohio.

Wherever Shorthorn cattle are known the name **MAXWALTON** commands the highest possible respect in a pedigree

Good heads, good quality and uniformity of type are characteristics that have made Maxwalton Shorthorns famous. Through careful matings and the use of the best blood the breed has ever known, these characteristics have been **BRED INTO THEM**. They are there for you to use.

Maxwalton Rosebud 3d and heifer calf (Lot 31) and Maxwalton Susan 4th and bull calf (Lot 32). Both calves are by Imp. Crieffvechter Beacon.

Maxwalton Roan Lady 23d—Bred May 14 to Imp. Creiffvechter Beacon.

Although only those families that have proved prolific and profitable have been retained at Maxwalton, some of these families have been so very dependable that we call special attention to them. The next six females in this catalog are all Myrtles tracing directly to the famous imported cow, Phingask Myrtle 3d. They have done especially well for us and we recommend them highly.

Lot 37

Female

KLAYMOR MYRTLE 3D 1942293 =286746=

Roan, calved June 28, 1936. Bred by W. J. Russell, Unionville, Ont., Can.;

The next eight animals in this catalog are all members of the Bruce Augusta family. All are very valuable, all are very dependable, but we cannot refrain from making special mention of the Augusta Cestria family. This family of Augustas are probably the best ever imported from Scotland. We owned a full sister to Augusta Cestria 9th that was a top producer of both show and breeding cattle. Her calves were in such demand that we sold them all and had the misfortune to lose the cow when she was quite young. We made a trip to Canada to buy her sister, Augustia Cestria 9th, from Dr. Robinson. She was bred to Imp. Millhills Ransom at the time and he would not price her. However, we secured Augusta Cestria 11th and she has been a wonderful producer. She is the dam of Maxwalton Golden Fame, the grand young bull sired by Imp. Crieffvechter Beacon that sells in this sale. She sells with a red heifer calf born June 8 and sired by Imp. Crieffvechter Beacon and she will be rebred to Beacon. She is also the dam of Augusta C Maxwalton 4th that sells in this sale.

Maxwalton Gloster W 24th—The dam of this heifer, 61st Duchess of Gloster, was one of the greatest breeding cows ever in the Maxwalton herd. She produced a wonderful heifer that sold to Oscar Nelson & Son at the top price of one of our sales. She also produced the grand red bull Maxwalton Guardian that was used in the Isler herd. Another of her famous bulls was Maxwalton Gold Standard, a first prize winner at the American Royal Show. Maxwalton Gloster W 24th was bred May 6 to Imp. Crieff-vechter Beacon.

Lavender Thyme Max 2d—Her dam came from Scotland in the same shipment with the dam of the International grand champion, Campbell's Command. She was an excellent individual and a great producer. She produced the first prize bull at the International that was sold to head the George herd in Texas. She has two excellent daughters selling in this sale, Lavender Thyme 3d and Lavender Thyme 4th. She sells with an outstanding roan bull calf dropped January 7 and sired by Imp. Crieffvechter Beacon and she was rebred to Beacon on April 2d.

Jilt of Braelodge 4th—Has been a consistent producer of excellent calves. She is a grand, thick, low set cow. She produced the top selling heifer in our sale last year that went to Luther Rice of Kentucky. This heifer produced for Mr. Rice an outstanding bull calf to the service of Imp. Crieftvechter Beacon. Jilt of Braelodge 4th sells with a red bull calf at foot dropped Jan. 4, 1948 and sired by Imp. Crieftvechter Beacon. She was rebred to the same bull on Feb. 8.

Browndale Golden Victor. Sire, Browndale Count 1156438 by Browndale 334947, out of Morning Blossom 2d 1023473. Dam, Clansman's Clara 72d 1404326 by Maxwalton Clansman 2d 1159489, out of Clara 70th 471882.

Village Vanguard. Sire, Village Beau 397715 by Villager 295884 out of Belle of Ordens V69-718. Dam, Augusta Cestria 1114896 by Broadhooks Diamond 956115, out of Augusta Lily 1114898.

Dale's Emblem. Sire, Dale Clarion 385195 by Double Dale 337156, out of Lily of Sunnyland 13249. Dam, Elvira's Rose 32d 558321 by Boquhan Champion 558309, out of Elvira's Rose 31st 558320.

Maxwalton Jealous Lady 2d—This cow is the only one of the famous Jealous tribe that we have left. She produced Maxwalton Red Baron, the bull that was sold to Urice Bros. and that produced the dam of a Congress champion bull. She also produced the bull that headed the Fenton herd that later was sold to go to California. She produced one of the top cows in the Tudor herd and a good heifer cow in the Luther Rice herd. She is in calf since Jan. 20 to Klaymor Ironsides.

In the breeding of purebred cattle one must use only the best material that can be procured in order to be sure of making progress. Such material can come only from herds that have been built upon a secure foundation and have been developed and maintained by the use of the best bulls of the breed. Such a herd is Maxwalton and that's the reason the most successful breeders in America have included Maxwalton bred animals in their herd foundations.
